THE SIBS

Executive Producers / Writers / Directors

Colin Keith Gray and Megan Raney Aarons, known as The Sibs, are an award winning brother/sister writing, directing & producing team with over 20 years experience as cross-platform storytellers and filmmakers.

Recent credits include producing *Being Canadian* a feature doc for eOne directed by Rob Cohen featuring comedy legends Mike Myers, Michael J. Fox, Martin Short, and Ben Stiller; *The King of Pittsburgh* for A&E, a docuseries produced with Mario Signore; the interactive rock-doc web series *Hello, Again* for Beck/ Lincoln Motor Company (Cannes Cyber Lion & Webby award winner); *Meena*, a scripted short film based on Nicholas Kirstoff's novel, "Half The Sky", that The Sibs wrote and directed with Lucy Liu; *Clean Break* an interactive web series that The Sibs produced & directed for Schick & Sony Crackle; *Redlight*, a TV doc on child sex trafficking in Cambodia that they wrote and produced for Showtime; and *Freedom's Fury*, the internationally acclaimed feature doc they wrote & directed about the Hungarian Revolution of 1956. The Sibs and EPs Quentin Tarantino & Lucy Liu were knighted by the Hungarian Government for the film.

In 2003, The Sibs launched GRAiNEY PICTURES, a full service transmedia production company. They've since produced, written and directed numerous cross-platform digital and branded content campaigns for Fortune 500 companies and government agencies including Lincoln, Google, Nike, Schick, Gap, Old Navy, Subway, ABC, Sony, and UNICEF. Recent credits include writing & directing the commercial campaign for Dogwell's *Jerky Bars*; producing the BTS web series for Dr. Pepper's */1 of a Kind* national ad campaign; writing & directing the interactive scripted digital awareness campaign *ThinkB4U* for Google; and writing & directing an IMAX 3D short & web series for Subway's *Fresh Take* on the USC / Notre Dame college football rivalry. The Sibs ongoing commitment to social action work includes writing & directing Levi's *Profit Through Principles* campaign; writing & directing PSAs for UNICEF's TAP water project; and filming the Palestinian Presidential elections for the democracy movement *One Voice*.

The Sibs have several writing & directing projects in development that include *Savage Lands*, a revisionist take on the Lewis & Clark expedition; *Re-In*, a futuristic thriller/love story set in post apocalyptic England; *Firmly Planted*, a coming-of-age tree-planting drama; and *Dwere The Bear*, an animated feature film.

The Sibs have won numerous entertainment awards and they are respected industry speakers, and thought leaders. They were moderators for the Attorney Generals conference on Human Trafficking, and featured panelists at the U.S. State Department's Sex Trafficking conference. The Sibs both live in Venice, CA.
