Kirven Blount

Writer / Producer / Director

Kirven Blount has written and directed a feature film, an off-Broadway play, an **HBO** pilot... and written and/or directed and/or edited and/or produced and/or acted in a multitude of other delicious productions.

One day he's a video editor at the **NFL Network**, the next he's the front man in an alt-country band. Sometimes a movie reviewer for **Entertainment Weekly**, other times he's trying out for a Danish pro basketball league. At given moment he's acting on television, and the next he's writing his own bio...

He is not so good at being a one-trick pony – unless that's what it says on the call sheet.

Kirven is a go-to shooter, segment Producer and Director for GRAiNEY Pictures, working on everything from the **Game Day! IMAX 3D** tests, to **Old Navy**, various viral comedy clips and other such brilliance. Kirven is truly an original.
