[Michael Ozier on IMDb](#)

**Michael Ozier** is a commercial & film cinematographer, known in particular for action spots, bad ass car campaigns and great looking indie films. It's hard to turn on the TV without seeing some of Ozier's work.

Ozier (as his friends call him) has several independent feature credits as DP, including scripted fare **Nobel Son**, **Bottle Shock**, **Savannah** and feature doc **Slippin'; Ten Years with the Bloods**.

Multi-talented, Michael directs a lot of his commercial campaigns, and is also a skilled operator, stepping in to support projects he finds exciting, like MTV's **Ultimate Parkour Challenge**. Ozier walks the talk... he's an avid surfer, mountain biker, overall extreme sports man and proud Venetian.
